Stepping Stones to Success

Upcoming Events – BAKU European Games

2015 Is an unusual year for our diving teams with the introduction of the 1st ever European Games. For the majority of sports this is FULL senior team competition and qualification to Rio Olympics Only Aquatics sports are junior teams. 31 Disciplines in total (25 Olympic) with 6,000 athletes and 3,000 team officials. TEAM GB

<http://www.baku2015.com/en/>

We have been asked by parents and divers to explain the qualification process as it breaks from the norm. In a nutshell here you go:

1. The age group is a combined 14-18 event. We have a maximum of 12 team places. The performance standards for each event are in the selection document for juniors on the pathway website - www.divingpathwayportal.org/Tailored-squad/

2. The highest 2 divers achieving the 'Medal' standard from the preliminary contest at GB Champs or if the top 2 divers do not achieve this standard a diver achieving the 'Team' standard will be nominated to the BOA - who's remit the team falls under for selection.
